<p>教學心得與獲獎感言：</p> <p>I am honoured and humbled to receive this Teaching Award. To my colleagues, thank you for your unwavering support. Your insights, feedback, and camaraderie have</p>	

been invaluable in shaping my teaching practices. I am fortunate to work alongside such dedicated and passionate educators who continuously inspire me to improve and innovate. To my students, this award is as much yours as it is mine. Your curiosity, enthusiasm, and dedication to learning are the driving forces behind my passion for teaching. Each of you brings unique perspectives and challenges that push me to be a better educator. Thank you for your trust and for allowing me to be a part of your academic journey.

Reflecting on my teaching journey, I am reminded of the many lessons I have learned. Teaching is not just about instructing knowledge. It is about fostering a love for learning, encouraging critical thinking, and nurturing the potential within each student. It is about creating an environment where students feel valued, respected, and empowered to explore their interests and achieve their goals.

One of the most rewarding aspects of teaching is witnessing the growth and transformation of students. Seeing students grasp a difficult concept, develop a new skill, or gain confidence in their abilities is incredibly fulfilling.

As an educator, I am constantly learning and evolving. I am committed to continuing my professional development and exploring new teaching methodologies to better serve my students. This award reminds me of the importance of our work as educators and the positive impact we can have on our students' lives. I am excited to continue this journey and contribute to our students' academic and personal growth.
