Course Code/Name: 35110 Calculus II

Credits: 3

Number of students: 1

Departments: Department of Applied Statistics and Information Science

Campus: Taoyuan

(2) Class Code: 40062

Course Code/Name: 13113 Programming Design II

Credits: 3

Number of students: 13

Departments: Department of Information Management

Campus: Taoyuan

Due to the course cancellations, please follow the instructions below.

1. Students affected by the course cancellations listed above and wishing to enroll in another course should visit the Curriculum Section on the Taipei Campus (ext. 2252) or the Academic Affairs Section on the Taoyuan Campus (ext. 3143) on **July 16 (08:30-15:00)** to process a course change. Any tuition fee difference resulting from the course change will be collected or refunded accordingly.

2. Students who did not make any course changes are **not** required to come to campus for refund processing.

3. After dropping or change of these courses by students, Curriculum Section will fully refund relevant paid tuition and fees. Class rosters will be submitted

to Bursar Section in order for the refund requests to be processed. Students are eligible to receive a tuition refund **after September 10** once they provide personal bank account number to the University.

4. If not already completed, students are to please log in to MCU Student information System as soon as possible and fill in personal bank account number in the Student Payment Bank Account Information of Fees Query.
